Town Clerk's Report

WARRANT FOR ANNUAL TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of Plainville, Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in Town affairs, to meet in the Town Hall, in said Plainville, on MONDAY, the FIFTH DAY of MARCH, A. D. 1934 at nine o'clock in the forenoon, then and there to act on the following Articles, viz:

Article 1. To choose all the necessary Town Officers.

Article 2. The following to be chosen by ballot, viz: Three Selectmen, three Overseers of Public Welfare, one Treasurer, one Town Clerk, one Auditor, one Collector of Taxes, one Trustee of Public Library for three years, one Water Commissioner for three years, one member of School Committee for three years, one Assessor for three years, one Tree Warden, one Moderator for one year, one Park Commissioner for three years, and three Constables.

All officers, except the above named, are to be chosen for one year.

Polls will be open at six o'clock A. M. and may be closed by vote at two o'clock P. M.

Article 3. To consider and act on the reports of the Selectmen, Treasurer, and other Town Officers.

Article 4. To see if the Town will vote to postpone action on all Articles calling for appropriations to an adjourned meeting to be held Monday evening, March 5, 1934, at 7:30 P. M., in the Town Hall.

Article 5. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws and make an appropriation therefor.

Article 6. To appropriate and raise by borrowing or otherwise such sums of money as may be required to defray Town charges for the financial year ending December 31, 1934, and expressly for the following purposes, to wit:

1. For the support of the Public Library.
2. For the Selectmen's current expenses and salaries.
3. For the Treasurer's current expenses and salary.
4. For the Town Clerk's current expenses and salary.
5. For the Assessors' current expenses and salaries.
6. For the Tax Collector's current expenses and salary.
7. For the Board of Registrars' current expenses and salaries.
8. For the salary of Town Auditor.
9. For Sealer of Weights and Measures' current expenses and salary.
10. For the payment of Insurance.
11. For Welfare work and Mothers' Aid.

12. For Old Age Assistance.
13. For Soldiers' Relief.
14. For Highways and Bridges, excluding Chapter 81.
15. For State and Military Aid.
16. For Memorial Day.
17. For Interest on Temporary Loans and Maturing Debt.
18. For Fire Department for current expenses and salaries.
19. For Street Lights.
20. For Water Department incidental and pumping and salaries.
21. For Sidewalks.
22. For Board of Health current expenses and salaries.
23. For Police Department including Street Patrol.
24. For Forest Fires.
25. For Tree Warden.
26. For Removal of Snow.
27. For Maturing Water Bonds.
28. For Maturing Municipal Land Loan note.
29. For Maturing High School Addition note.

- 30. For Maturing Fire Equipment Bonds.
- 31. For Town Hall.
- 32. For Park Commissioners.
- 33. For Support of Schools and salaries of School Committee. -
- 34. Town Forest Committee.

Article 7. To see if the Town will vote to have the surety of the Collector of Taxes, Treasurer, Town Clerk and Secretary of the Water Commissioners bond placed with a fidelity or guarantee company, and appropriate a sum of money to pay for the same.

Article 8. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money after January 1st, 1935, in anticipation of the revenue of 1935.

Article 9. To see if the Town will vote to appropriate the sum of two hundred and fifty dollars (\$250.-00) to continue the Town Plat, or do or act in any manner relative thereto.

Article 10. To see if the Town will vote to raise and appropriate the sum of \$796.05, or any other sum, for the carrying on of the moth work for the current year.

Article 11. To see if the Town will vote to raise and appropriate a sum of money or a reserve fund to provide for extra-ordinary or unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws.

Article 12. To see if the Town will grant the use of the Town Hall at a minimum charge of five dollars (\$5.00) per day to:—

1. Parent-Teacher Association, two evenings.
2. Plainville Fire Department, six evenings.
3. Alumni Association, two evenings.
4. Plainville Grange, three days and three evenings.
5. Plainville M. E. Church, three days and three evenings.
6. John Edward McNeill Post 217, ten evenings.
7. Girl Scouts, one evening.
8. Athletic Association, one evening each week during basketball season.
9. Boy Scouts, two evenings.
10. Board of Trade, two days and two evenings.
11. Plainville Homing Club, one afternoon and one evening.

Article 13. To see if the Town will vote to appropriate the sum of \$381.33, the amount apportioned to Plainville for repairs and maintenance of the Norfolk County Hospital.

Article 14. (Petition) To see if the Town will vote to grant the use of the Town Hall free of charge to the Plainville Garden Club for two days and one evening or act in any manner relative thereto.

Article 15. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to renew any or all of the revenue loans of 1934, issued for a period of less than one year, in accordance with Section

17, Chapter 44, General Laws, the same to be paid from the revenue of 1934, or take any action relative thereto.

Article 16. (Petition) To see if the Town will vote to establish a foundation planting of evergreen trees on the front ground of the Town Hall and appropriate a sum of money therefor, or do or act in any manner relative thereto.

Article 17. (Petition) To see if the Town will vote to appropriate and raise the sum of \$1,000 for the purpose of hiring an assistant to act as clerk and agent for the Selectmen and Board of Welfare for the coming year, or do or act in any manner relative thereto.

Article 18. (Petition) To see if the Town will vote to elect one Selectmen for one year, one for two years, one for three years at the annual meeting and thereafter to elect one Selectman each year to serve for a period of three years as allowed in the General Laws of Massachusetts.

Article 19. To see if the Town will appropriate a sum of money to use in conjunction with C. W. A. projects if and when the same are extended, or do or act in any manner relative thereto.

Article 20. To see if the Town will appropriate the sum of one hundred dollars to purchase a piece of land bordering the north boundary of the Town Park now owned by Wm. S. Metcalf, or do or act in any manner relative thereto.

Article 21. To choose any committee to hear the report of any committee and act thereon.

Hereof fail not to make due returns of this Warrant and your doings thereon to the Town Clerk in conformity with the Public Statutes at or before the time of said meeting.

Given under our hand and the seal of the Town of Plainville, this fourteenth day of February, in the year of our Lord One Thousand Nine Hundred and Thirty-four.

[Seal]

ARTHUR L. CROWLEY,

MILLARD M. RINES,

WILLIAM H. NASH,

Selectmen of Plainville.

A true copy. Attest:

CHESTER A. MEYER,

Constable of the Town of Plainville.

This 21st day of February, 1934.

OFFICER'S RETURN ON WARRANT
COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

Plainville, Mass., February 21, 1934.

This certifies that I have posted seven copies of the within Warrant in seven public places in the Town of Plainville.

CHESTER A. MEYER,

Constable of the Town of Plainville.

Subscribed and sworn to before me this 28th day of February, 1934.

ARTHUR W. WASHBURN,

Town Clerk.

PROCEEDINGS OF THE THIRTIETH ANNUAL TOWN MEETING

Town Hall, Plainville, Massachusetts, March 5, 1934.

Pursuant to the foregoing Warrant, the 30th annual Town Meeting was held in the Town Hall, it being the first Monday of March, 1934.

The ballot box was inspected, found empty, and locked by Town Clerk and key turned over to police officer.

Ballot Clerks: Bertha Thompson and Fred Northup.

Tellers: Dacia Anderson and Frank King.

Police and Ballot Box Officer: John A. Kenerson.

The above having been appointed by the Selectmen, were duly sworn to the faithful performance of their respective duties by Town Clerk.

The Town Clerk read the call of the meeting and at six A. M. the polls were declared open and voting was in order.

At nine o'clock A. M. the meeting was called to order by Moderator William H. Nash.

On motion by John A. Kenerson, it was voted to dispense with the reading of the warrant.

Article 1. Motion by Fred Northup, and unanimously voted that the following men serve as Measurers of Wood, Bark and Lumber for the ensuing year: George B. Greenlay, Harry O. Proal, Henry I. Riley and Ernest E. Munroe.

Motion by Frank King and unanimously voted that the three constables elected today, serve as Fence Viewers and Field Drivers for the ensuing year.

Article 3. Motion by Arthur W. Washburn and unanimously voted that we accept the reports of the Selectmen, Treasurer and other Town Officers as printed in the Town Report with the exception of any typographical errors.

Article 4. Motion by Harry A. Holt, and unanimously voted to postpone action on all articles calling for appropriations to an adjourned meeting to be held Monday evening, March 5, 1934, at 7:30 P. M. in the Town Hall.

The Moderator, appointed the following: Arthur W. Washburn, John A. Kenerson, Wesley H. Burton, Harry A. Holt and Frank Barney, to bring in names as recommendations for the Finance Committee for the ensuing year.

By unanimous vote, the polls were declared closed at 3:05 P. M., 423 ballot cast, 423 names checked on voting list, and ballot box showed 423 ballots cast.

The result of the balloting, viz:

TOWN HALL, 7:30 P. M.

Meeting was called to order by Town Clerk Arthur W. Washburn, who in turn called on Moderator-Elect, Earl B. Thompson, to take charge of the meeting.

Article 2. The Town Clerk read the results of the balloting.

Article 5. Motion by Edgar F. Berry and unanimously voted that the Town accept the Provision of Chapter 81 of the General Laws and raise and appropriate the sum of \$4,000.00 therefor. Also unanimously voted that the Highway Department be instructed to show the amount expended for truck hire in their annual report.

Article 6. On motion by Edgar F. Berry, Secretary of the Finance Committee, it was unanimously voted that the following sums be raised and appropriated to defray Town charges for the financial year ending December 31, 1934:

Section 1. Support of Public Library, \$455.03.

Section 2. Selectmen's current expenses and salaries, \$1,800.00.

Section 3. Treasurer's current expenses and salary, \$300.00.

Section 4. Town Clerk's current expenses and salary, \$270.00.

Section 5. Assessors' current expenses and salaries, \$600.00.

Section 6. Tax Collector's current expenses and salary, \$400.00.

Section 7. Board of Registrars' current expenses and salaries, \$100.00.

Section 8. Salary of Town Auditor, \$50.00.

Section 9. Motion by Frank E. Whiting, and unanimously voted that the sum of \$75.00 be raised and appropriated, \$25.00 for current expenses and \$50.00 for salary of Sealer of Weights and Measures.

Section 10. Payment of Insurance, \$975.00.

Section 11. Unanimously voted that the sum of \$5,300.00 be raised and appropriated for Welfare work for the current year. Also voted on this section of Article 6 that the Town accept the donation of not less than \$1,700.00 offered by the School Teachers which represents 10% of their salaries. This donation is to be credited to the Welfare Account to be used by this department for General Welfare Work.

Section 12. Old Age Assistance, \$3,672.00.

Section 13. Soldiers' Relief, \$875.00.

Section 14. Highways and Bridges, excluding Chapter 81, \$2,000.00.

Section 15. State and Military Aid, \$120.00.

Section 16. Amendment to this section of Article 6 made by Chester Anderson, and unanimously voted that the sum of \$75.00 be raised and appropriated for Memorial Day.

Section 17. Interest on Temporary Loans and Maturing Debt, \$1,600.00.

Section 18. Fire Department current expenses and salaries, \$1,700.00.

Section 19. Street Lights, \$4,131.00.

Section 20. Water Department incidental, pumping and salaries, \$3,250.00.

Section 21. No appropriation.

Section 22. Board of Health current expenses and salaries, \$300.00.

Section 23. Motion by Edgar F. Berry and unanimously voted that the sum of \$2,140.00 be raised and appropriated for Police Department, including street patrol.

An amendment was made to this motion by Ernest E. Munroe, that the sum of \$500.00 be raised and appropriated for this purpose.

An amendment to this amendment was made by Joseph Craik that the sum of \$71.50 be added to the \$500.00 amendment, representing a bill for services, which he had presented to the Selectmen for payment. Arthur L. Crowley, at this time, requested that two (2) letters be read before the meeting showing reason why this bill had been refused payment by the Board of Selectmen.

Both the amendment to the amendment and the amendment were voted down, and the original motion carried.

Section 24. Forest Fires, \$200.00.

Section 25. Tree Warden, \$50.00.

Section 26. Removal of Snow, \$2,025.00.

Section 27. Maturing Water Bonds, \$3,000.00.

Section 28. Maturing Municipal Land Loan Note, no appropriation.

Section 29. Maturing High School Addition Note, \$1,000.00.

Section 30. Maturing Fire Equipment Bonds, \$1,000.-00.

Section 31. Town Hall, \$350.00.

Section 32. Motion by Clarence Telford and unanimously voted that the sum of \$400.00 be raised and appropriated for use of Park Commissioners.

Section 33. Motion by Elmer Ralston, and unanimously voted that the sum of \$26,000.00 be raised and appropriated for the Support of Schools and salaries of School Committee.

Section 34. Town Forest Committee, \$75.00. Vote questioned, result: Yes 56, No 2.

Article 7. Motion by Edgar F. Berry and unanimously voted that the Town have the surety of the Collector of Taxes, Treasurer, Town Clerk, and Secretary of the Water Commissioners bond placed with a fidelity or guarantee company, and raise and appropriate the sum of \$150.00 to pay for same.

Article 8. Motion by Edgar F. Berry and unanimously voted "That the Town Treasurer, with the approval of the Selectmen, be and is hereby authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1935, and to issue a note or notes therefor payable within one year, any debt or debts incurred under this vote to be paid from the revenue of said financial year."

Article 9. Motion by Edgar F. Berry and unanimously voted that no action be taken on this article.

Article 10. Motion by Edgar F. Berry that the sum of \$750.00 be raised and appropriated to carry on the

moth work for the current year. An amendment to this motion was made by George H. Snell and it was unanimously voted that the sum of \$796.05 be raised and appropriated. Vote was questioned, result: Yes 73, No 1.

Article 11. Motion by Edgar F. Berry and unanimously voted that the sum of \$1,800.00 be transferred from the Overlay Surplus Fund to provide for extraordinary or unforeseen expenses as authorized by Section 6, Chapter 40, General Laws.

Article 12. Motion by Edgar F. Berry and unanimously voted that the Town grant the use of the Town Hall at a minimum charge of five dollars (\$5.00) per day to:

1. Parent-Teacher Association, two evenings.
2. Plainville Fire Department, six evenings.
3. Alumni Association, two evenings.
4. Plainville Grange, three days and three evenings.
5. Plainville M. E. Church, three days and three evenings.
6. John Edward McNeill Post 217, ten evenings.
7. Girl Scouts, one evening.
8. Athletic Association, one evening each week during basketball season.
9. Boy Scouts, two evenings.
10. Board of Trade, two days and two evenings.
11. Plainville Homing Club, one afternoon and one evening.

Article 13. Motion by Edgar F. Berry and unanimously voted that the sum of \$381.33 be raised and appropriated for the repairs and maintenance of Norfolk County Hospital, the amount apportioned to Plainville.

Article 14. Motion by Edgar F. Berry and unanimously voted that the Plainville Garden Club be granted the use of the Town Hall two days and one evening at the same minimum rate as other organizations mentioned in Article 12.

Article 15. Motion by Edgar F. Berry and unanimously voted that "The Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to renew any or all of the revenue loans of 1934 issued for a period of less than one year, in accordance with Section 17, Chapter 44, General Laws, the same to be paid from the revenue of 1934."

Article 16. Motion by Edgar F. Berry and unanimously voted that this article be not adopted.

Article 17. Motion by Edgar F. Berry and unanimously voted that the sum of \$750.00 be raised and appropriated for the purpose of hiring an assistant to act as clerk for the Selectmen and agent for the Board of Welfare for the coming year. Vote questioned, result: Yes 54, No 1.

Article 18. Motion by Edgar F. Berry and unanimously voted that the Town elect one Selectman for one year, one for two years, and one for three years at the annual meeting and thereafter to elect one Selectman each year to serve for a period of three years as allowed in the General Laws of Massachusetts.

Article 19. Motion by Edgar F. Berry and unanimously voted that the sum of \$250.00 be raised and appropriated to be used in conjunction with the Civil Works Administration and to be expended under the supervision of the local Civil Works Administrator.

Article 20. Motion by Edgar F. Berry and voted that the sum of \$100.00 be raised and appropriated to purchase a piece of land bordering the north boundary of the Town Park now owned by Wm. S. Metcalf.

Vote questioned, result: Yes 85, No 26.

Article 21. Nominating Committee appointed this morning brought in the following names as suggestions for next year's Advisory and Finance Committee: C. F. Henrich, Jacob Engelbert, Edgar F. Berry, Edward Bauman and Frank Etter.

It was unanimously voted that this recommendation be accepted and that this Committee work in conjunction with the Chairman of the Board of Selectmen and the Town Treasurer.

At this time, Arthur L. Crowley requested that all stand and observe a few moments of silence in respect to Millard M. Rines.

Voted to adjourn at 9:15 P. M.

Respectfully submitted,

ARTHUR W. WASHBURN,

Town Clerk.

WARRANT FOR SPECIAL ELECTION

COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of Plainville, Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in Town affairs, to meet in the Town Hall, in said Plainville, on **MONDAY, the TWENTY-SIXTH of MARCH A.D. 1934** at six o'clock in the forenoon and may be closed at 2 P. WARRANT FOR STATE ELECTION

COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Plainville,

Greeting:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the legal voters of the Town of Plainville, to meet in Town Hall, in said Plainville, on TUESDAY, NOVEMBER 6, 1934 at 6:00 o'clock A. M., it being the Tuesday after the first Monday in said month, then and there to give in their votes for the following offices:

Governor for this Commonwealth.

Lieutenant Governor for this Commonwealth.

Secretary of the Commonwealth for this Commonwealth.

Treasurer for this Commonwealth.

Auditor for this Commonwealth.

Attorney General for this Commonwealth.

Senator in Congress for this Commonwealth.

Representative in Congress for the 14th Congressional District.

Councillor for the 7th Councillor District.

Senator for the 4th Worcester Senatorial District.

One Representative in General Court for the 11th Norfolk Representative District.

District Attorney for Norfolk District.

Clerk of Courts for Norfolk County.

Register of Deeds for Norfolk District.

County Commissioner for Norfolk County.

Two Associate County Commissioners for Norfolk County.

Register of Probate and Insolvency (to fill vacancy) for Norfolk County.

And also to vote "yes" or "no," to the following referendum questions:

"Shall a law submitted upon referendum petition relating to the use of traps or other devices for capture of fur bearing animals be approved?"

"Shall licenses be granted in this town for the sale therein of all alcoholic beverages?"

"Shall licenses be granted in this town for the sale therein of wines and malt beverages?"

"Shall the pari-mutuel system of betting on licensed horse races be permitted in this county?"

"Shall the pari-mutuel system of betting on licensed dog races be permitted in this county?"

"Shall the Representative in General Court from the 11th Representative District for Norfolk County be instructed to vote to request the President and the United States Senate to enter into full co-operation and membership in the League of Nations, with the explanatory reservation that the United States shall not engage in war with any nation, except by vote of Congress, as provided in the United States Constitution, and such other reservations as they deem wise?"

The polls will open at six o'clock in the forenoon and may be closed at 4 P. M.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this twenty-fourth day of October in the year one thousand nine hundred and thirty-four.

Question No. 1.

Law Submitted Upon Referendum After Passage

Shall a law described as follows:—

This law amends General Laws, chapter 131, as previously amended, by repealing section 105A thereof and adding thereto three new sections, 105B, 105C, and 114A.

Section 105B provides that whoever uses any trap or other device for capture of fur bearing animals, which is not designed to kill such animal at once or to take it

unhurt and which is likely to cause continued suffering to an animal caught therein, shall be fined fifty dollars, but traps or other devices for protection of property, set not more than fifty yards from any building, cultivated plot, or enclosures used for rearing poultry or game birds, to the use of which the presence of vermin may be detrimental, are excluded from the application of this section.

Section 105C provides for the submission to the voters at a municipal election in any city or town upon petition, of the question of whether the operation of section 105B shall be suspended or if it has been already suspended, of the question whether it shall again be operative in such city or town.

Section 114A provides that the Commissioner of Conservation may suspend the operation of section 105B for a period not exceeding thirty days within any specified territory under the control of his department.

The law also provides for the submission, by the selectmen to the voters at a special town meeting in the current year, upon petition, of the question as to whether the provisions of section 105B shall be suspended in any town; **and which was approved by both branches of the General Court by vote not recorded**, be approved?

YES	259
No	111
Blanks	231

To obtain a full expression of opinion, voters should vote on both of the following questions:

(a) If a voter desires to permit the sale of any and all alcoholic beverages in this city (or town) he will vote "YES" on both questions.

(b) If he desires to permit the sale of wines and malt beverages only herein, he will vote "NO" on question 1 and "YES" on question 2.

(c) If he desires to prohibit the sale of any and all alcoholic beverages herein, he will vote "NO" on both questions.

1. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)?

YES	256
NO	265
Blanks	80

2. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

YES	249
NO	245
Blanks	107

1. Shall the pari-mutuel system of betting on licensed horse races be permitted in this county?

YES	292
NO	202
Blanks	107

2. Shall the pari-mutuel system of betting on licensed dog races be permitted in this county?

YES	160
NO	298
Blanks	143

Question of Public Policy

"Shall the Representative in the General Court from the Eleventh Representative District for Norfolk County

be instructed to vote to request the President and the United States Senate to enter into full co-operation and membership in the League of Nations, with the explanatory reservation that the United States shall not engage in war with any nation, except by vote of Congress, as provided in the United States Constitution, and such other reservations as they deem wise?"

YES	215
NO	144
Blanks	242

ARTHUR W. WASHBURN,

Town Clerk.

MEETING OF THE TOWN CLERKS OF THE ELEVENTH NORFOLK DISTRICT

A record of the doings of the Clerks of the 11th Norfolk Representative District of the Towns of Foxboro, Franklin, Norfolk, Plainville and Wrentham.

On the 16th of November, 1934, the Clerks of the Towns above mentioned met in the Selectmen's Rooms at Franklin and examined and composed transcripts of the record of votes cast on the 6th day of November in said Towns, for Representative in the General Court for 11th Norfolk Representative District in said County and did ascertain that Martin W. Donahue was duly elected and issued certificates of his election, one of which was sent to the Secretary of the Commonwealth, at Boston, and one was delivered to a constable of the Town of Franklin to be served on said Martin W. Donahue.

ARTHUR W. WASHBURN,
Town Clerk.

RECOUNT OF VOTES NOVEMBER 16, 1934

Pursuant to a petition filed with the Town Clerk, a recount of votes was tabulated by the Board of Registrars on Question 2, Section 1 and 2 of the ballots voted on at the State Election held Nov. 6, 1934. As no representative of petitioners appeared the recount started at 7:05 P. M., all members of the Board present. The results of the recount were as follows:—

Section 1	Original	Recount	Gain	Loss
Yes	256	256		
No	265	267	2	
Blanks	80	78		2
	<hr/>	<hr/>		
	601	601		

Section 2	Original	Recount	Gain	Loss
Yes	249	262	13	
No	245	239		6
Blanks	107	100		7
	<hr/>	<hr/>		
	601	601		

ARTHUR W. WASHBURN,

Clerk of Board.

RECOUNT OF VOTES DECEMBER 12, 1934

A recount of votes for the office of the Secretary of the Commonwealth was held by the Registrars of Voters in the Town Office December 12, 1934 at 7 P. M.

The following named having presented their authority in writing, were allowed to be present to represent the candidates:

Harry A. Holt, representing Frederic W. Cook.

Fred W. Northup, representing Joseph Santosuosso.

The result of the recount was as follows:

	Original	Recount	Gain Loss
Walter Burke	4	4	
Frederic W. Cook	447	448	1
George L. McGlynn	4	4	
Leslie A. Richards	10	10	
Joseph Santosuosso	103	103	
William B. Taylor	2	2	
Blanks	31	30	1
	<hr/> 601	<hr/> 601	

ARTHUR W. WASHBURN,
Clerk of Board.

**REPORT OF THE BOARD OF REGISTRARS
EXPENSES**

For Year ending December 31, 1934

Amount Appropriated	\$100.00

ANNUAL REPORT
OF THE
School Committee
OF
PLAINVILLE, MASSACHUSETTS

FOR
Year Ending December 31, 1934

School Officials

SCHOOL COMMITTEE

HENRY S. TAMBLYN, Chairman Term expires 1937
Telephone North Attleboro, 1112-W

ELMER G. RALSTON, Secretary Term expires 1935
Telephone North Attleboro, 1223

DR. N. C. BULLARD Term expires 1936
Telephone North Attleboro, 337-J

Meeting of the School Committee is held in the office, Town Hall Building, on Wednesday preceding the third Thursday of the month.

Union Superintendent of Schools, Norton and Plainville

LAURENCE G. NOURSE
Residence Telephone, Norton, 66
School Telephone, North Attleboro, 385-R

The Superintendent may be reached at the office at the Town Hall Building every Tuesday, and other days by appointment.

Authorized to Issue Work Certificates

HARRY L. DIXON
Telephone North Attleboro, 830

School Physician

DR. ALLEN R. HOWARD
Telephone North Attleboro, 159

School Nurse

MRS. RUAH M. HARRIS
Telephone North Attleboro, 1115-W

Attendance Officer

ELMER C. PEASE

SCHOOL CALENDAR, 1934 - 1935

Elementary and High Schools:

First term opens September 5, 1934
First term closes December 21, 1934
Second term opens January 2, 1935
Second term closes February 15, 1935
Third term opens February 25, 1935
Third term closes April 18, 1935
Fourth term opens April 29, 1935
Fourth term closes:
 Elementary Schools—June 14, 1935
 High School—June 21, 1935

Holidays for all Schools:

October 12, 1934
November 12, 29 and 30, 1934
April 19, 1935
May 30 and 31, 1935

School Sessions:

High School: Regular session, 8 to 1:30; extra session, 1:30 to 3:30.
Grammar School :9 to 12 and 1 to 3.
Primary School: 9 to 11:45 and 1 to 3.

No School Signals:

7:15 A. M.—Three double blasts on fire alarm system signifies no school for all pupils for the day.
7:30 A. M.—Same signal signifies no school for elementary school pupils.
11:45 A. M.—Same signal signifies no school in the afternoon and all pupils will stay in school one hour longer than usual and then be dismissed for the day.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of the Town of Plainville:

Your committee reports a successful year, marked by several improvements worthy of note:

Co-ordinating the work of Grades VI, VII, and VIII has enabled teachers to specialize in subjects in which they have particularly fitted themselves, thereby raising the standard of instruction. The fact that the pupils of these three grades have become used to moving from room to room and working with different teachers has better equipped them for High School.

The new system of reports to parents of High School students has, so far, proved of great help in keeping parents more fully and promptly informed as to the progress of their children.

The new busses, put in use in September, have added greatly to the safety and comfort of the pupils while being taken to and from school.

There has been but one change in the teaching staff, Miss Murielle Fuller resigning in June to get married and Miss Grace L. Knox joining the staff in September. There have been some changes in the grade assignments, as will be seen from List of Teachers attached to this report.

We want to express our appreciation of the whole-hearted co-operation of the entire staff which has been, to a large degree, responsible for the success of the year's work. The strict economy, made necessary by conditions particularly during 1932 and 1933, made it impossible to do much in the line of repairs or purchase of new equipment, books and supplies. During 1932 and 1933 only \$80.00 was spent on new equipment and \$1,753.79 for books and supplies. This last figure shows

an average expenditure of \$876.90 as against an average in 1929, 1930 and 1931 of \$1,625.72. During 1934 we have been able, by careful use of the slightly larger appropriation, to use \$288.90 for new equipment, largely in the High School laboratory and commercial department, and \$1,154.55 for books and supplies. This is a move in the right direction but much more must be done in this line to enable our schools to function at maximum efficiency.

The following financial statements concerning the expenditures for the Plainville School Department and the estimated budget for 1935 deserve your most careful attention.

Money Available for Schools in 1934

Appropriation	\$26,000.00
Interest on Town School Fund	25.67
Refund on Town Hall Lights	57.00
	<hr/>
	\$26,082.67

ELMER G. RALSTON,

Secretary

DR. N. C. BULLARD

Respectfully submitted,

HENRY S. TAMBLYN,

Chairman

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Plainville School Committee:

I have the honor to submit to you my eleventh annual report as Superintendent of Schools and the twenty-ninth in the series of reports.

I shall set forth some of the educational activities and some of the unusual school problems which have risen during the past year.

Comment on the School Report for 1933

Before starting the present report it would be interesting to make comment and further report on the topics of the preceding year's report. The plan for helping pupils to form correct study habits as outlined in that report has been conscientiously carried out as far as time in our organization has permitted. With a large number of classes and a wide variety of subjects by each teacher in the high school, the available time for such instruction is, of necessity, very limited. More and more I feel from my own observation and from reports at educational conferences that the mental habits and procedures which the pupils are acquiring are more essential to their success in any life activity than the details of the conventional subject matter. Greater opportunity for pupil guidance is much to be desired.

The monthly health bulletin which was started last year has been continued. While correction and remedial work has been and always will be necessary in the field of health, the instruction in ways and means to build and conserve health is the constructive side of health activities.

The procedure in pupil promotion and the pupil marking system has been continued as outlined in the report. Additional steps as made in these two fields will be given in this report.

Progress in the High School

A revised High School report card has been put into trial use for the present school year. The form of this card is the result of the study of this question by the teachers of the two High Schools in this School Union. After discussion at several meetings during the past year this form was adopted for trial use. The aim of the card has been to give more information to the parents on the progress of the pupils in the school than was given on the conventional report card. Parents often ask for suggestions as to what they may do to aid the pupil in bettering his standing. The present report card endeavors to help the parent to do this by adding definite suggestions as to the reasons for the given mark being what it is. To help the parents understand better various factors influencing the school progress of the pupils a list of such factors and what the teachers mean by these terms is given on the report card. These are:

Concentration: Ability to center one's thoughts on a given subject in spite of distractions.

Cooperation: The willingness and the ability to work with the Faculty and fellow students.

Industry: Efficient use of school and home study periods. Thorough preparation of tasks assigned.

Initiative: The ability to originate and carry out new plans.

Interest: Favorable attitude toward school work.

Self-confidence: Belief in one's ability to do satisfactorily the work required in his classes.

Self-control: The governing of one's feelings in view of consideration for the feelings of others.

Reasoning: Ability to think through to a correct conclusion. Ability to apply one's knowledge.

This report card combines the usual system of a definite mark for progress in each subject and a letter of information about the pupil in each class. This plan

entails much greater work and record keeping on the part of the teachers. It does give greater amount and more valuable information to the parents. The effectiveness of the plan depends on how fully the parents study these reports, discuss them with the students, and then, when advisable, confer with the teacher to make for greater cooperation towards the common objective.

During the past year the high school has made very definite progress in several lines. These are well stated by Mr. Harry L. Dixon, the principal. I wish to commend highly the work which he is doing. Extensive quotations from his annual report follow:

"The Student Council, organized first during the fall of 1929 and quite active during the remainder of that school year, never did function very much after that and was allowed to remain in a dormant state during 1931-1933. This potentially valuable student activity was revived last spring and since then has been a very important part of the life of the school. A new constitution was drawn up by a committee which I was directed by the assembly to appoint. This constitution was later presented to the student body in assembly and accepted, following which the classes met to elect their representatives to the Council. The problems of the Library were attacked in a manner much more harsh than we, as a Faculty, could have ever dared to pursue. Some of the worst offenders in the Library, now become Council members, were the hardest task masters. However, they accomplished much of good and this undoubtedly because the students as a whole felt that they were being given a voice in their own government.

"This fall the Student Council has astonished the Faculty by the very fine way in which it not only continued the work of the last few weeks of school last spring but in the improved quality of its leadership. This type of work should insure a continuance of the Council and it is most earnestly to be desired that such action shall obtain.

"The student publication, 'The Bioscope,' started by a picked group of Juniors in 1932, was revived early this

year and has made quite a name for itself. As originally written by a few students interested in Biology, 'The Bioscope' brought forth very favorable comment by those who saw it. Professor Meier of the State Teachers' College at Framingham has been, from the start, enthusiastic in his praise of 'The Bioscope' and has used it in his classes where future teachers are being trained.

"The renewal of activities were in large measure attempted because of Prof. Meier's inquiry as to what had happened to it and his expressed belief that it was too valuable a means of training students to be neglected. The matter was presented to the General Science class and they started work on the project in January. Copies of their first issue we sent to a scattered number of Biology teachers and editors of Science publications. Again the response from the recipients of 'The Bioscope' was favorable.

"One letter in particular was quite gratifying. This was from Prof. Hanor A. Webb, of the George Peabody College for Teachers, Nashville, Tenn., and Editor of 'Current Science.' He suggested that he make mention of 'The Bioscope' in a forthcoming issue of 'Current Science' since he felt that it was something which should be called to the attention of Biology teachers everywhere. This he did and as a result requests for copies of the next issue came from teachers in just twenty-four states spread from coast to coast and from Canada to the Gulf of Mexico.

"With the introduction of Biology into our curriculum the membership of this class seemed to be the logical basis for an organization to carry on the work of publishing 'The Bioscope.' The Bioscope Club was reorganized and has brought out on issue to date and has material for another one ready to be typed for the second issue of the school year. This issue, the best one to date, was also sent to a rather large group of Biologists. One very interesting comment came to us from the Children's Museum of Indianapolis, Ind. Mr. Arthur B. Carr, Director, stated, "'The Bioscope' has been read

by members of our staff—with much interest, and we congratulate your organization on this—quite the most interesting and informative periodical of its nature which we have seen.’

“The work of writing, organizing, and editing ‘The Bioscope’ is in the hands of the students. The big difference between the material included in this publication and other similar ones is that the latter depend on summarizing the writings of others while our students write, of things actually seen by them on either individual or class field trips, or, of experiments performed by them. ‘The Bioscope’ very definitely trains the student to observe more carefully the interesting phenomena in the midst of which he lives. The individual is also encouraged to find out more about some phases of the subject which appeals to him. The editors gain experience in the application of their training in writing given by the courses in English. In a very definite way I believe we are providing a basis both by the Biology course and the Bioscope Club for an avocational interest which will help to give those students concerned a means of using their leisure time to their advantage.

“A course in Biology was started in September 1934. The introduction of a new course into the curriculum of a school is always more or less experimental and therefore should be carefully watched and evaluated by the instructor and a report made to the School Committee that they may govern themselves accordingly. Since I had been asking for permission to teach Biology for some time I was naturally anxious that a fair sized class be formed when the opportunity was given the students to elect this new subject. When the elective blanks came in last spring twelve students had signified their desire to take Biology. When school opened the number had increased to nineteen.

“This course not only provides a course for those who do not care to elect a language or a mathematics course but it also offers an opportunity to those going to college to earn an entrance credit. I know of no college which

will not accept a credit in Biology. The latest requirements for admission to Nurses' Training Schools in Massachusetts state a preference for Biology as one of the two Science courses which they require of all girls entering from now on."

General School Tests

Tests in various school subjects are valuable for recording the progress and showing the teacher the topics which need greater attention. All elementary school pupils had four times during the school year tests in Mental Arithmetic and Spelling. The average in all schools for the year varied in Spelling from 91 to 92 and in Mental Arithmetic from 76 to 82.

Progress tests as a part of the regular instruction are used at intervals throughout the year in the regular course of study in Arithmetic in all grades.

Silent reading tests have been used by the teachers at frequent intervals. A series of tests on English Grammar was given to all sixth grades using the same test as was given in two nearby towns. The comparative scores were satisfactory.

In the High School weekly typewriting tests are given. The reports for 1934 show for the Typewriting II class an increase in the average words per minute from 39 words to 51 words and in Typewriting I from 20 to 40 words per minute. This is a most satisfactory result.

Letters are dictated by the Superintendent to the Stenography class monthly. The results are used to show the pupils the errors which they might make in actual practice and thus be prepared for real office situations.

As a part of the regular work each teacher gives, in addition to the above, tests and checks on the progress of the class. These objective records cannot be held as

the greatest importance for school progress but they are a valuable part of it.

Music

The Plainville schools always show much interest in the music department's activities. The work of Miss Murielle Fuller with the harmonica band is greatly missed. Mrs. Harriet Washburn, supervisor of music, has given in her report interesting comments on the progress in music.

"Keeping in mind that my main object in teaching music is to instill in all of the children a real love and understanding of music, I feel that the work is progressing from year to year and that the children are really enjoying their work in music."

"Orchestral work is improving in selection and interpretation. The music is of a much higher class, and the boys and girls seem to enjoy playing it."

"The Band is working well and is improving steadily. I am losing several boys from orchestra and band and I shall miss them very much for they have been good workers. The class in instrumental music started this fall by the Harloway School of Music has several pupils and these will fill vacancies caused by graduations. We feel proud to have so many children taking lessons and feel fortunate in having a young man of such fine character as the teacher."

A System of Pupil Records

For several years various pupil records have been made. They have served their purpose at that time. During the past year a systematic filing plan has been adopted. The past records have been carefully classified and a cumulative filing plan adopted. The file contains a folder for every pupil in the school system. In each folder is placed:

1. Pupil Accounting Card No. 1 on which is entered each year a summary of the Standard Achievement Tests and the general school progress tests.

2. Pupil Accounting Card No. 2 on which is placed at the end of each year the teacher's opinion that year of the pupil's abilities and successes, like and dislikes, characteristic habits and the means which she has found successful for improving his school progress.
3. The permanent record card showing the school marks in each subject in each grade since the pupil entered school.
4. Copies of any individual psychological or achievement tests.
5. Letters to and from parents concerning that pupil.
6. Reports by Principals and teachers of any special action which concerns that child's general progress.

As there are available records now for several years, these files are becoming a very valuable source of information and will steadily increase in value with the careful accumulation of records each year.

Art

"Art is an important part of the child's training. We have the following objectives such as:

1. To develop the power of observation.
2. To develop visual memory.
3. To stimulate creative imagination.
4. To develop an appreciation of the beautiful.
5. To educate for better employment of leisure time in the enjoyment of the arts and crafts.
6. To encourage the talented pupil."

From the above quotation from the report of Mrs. Rowena B. Rice, supervisor of art, I wish to emphasize the need for the type of training under number five. If interests can be aroused and skills developed which will carry over into adult life, the school will be making bet-

ter citizens. Nearly every educational conference stresses this need. Under conditions today this need is greater than ever before. More opportunity and more equipment is needed to carry out this plan. This field should be enlarged to give similar opportunities to adults.

"We are designing and painting some large murals in the advanced art class in High to be placed in grade class rooms. Elizabeth C. Patton made the block print design for the cover of the school report."

"There has been great improvement in the quality and originality of the work in the grades. Story illustration, color, paper construction, book binding, stencilling, design posters, perspective, lettering, cut paper and representation are among the art activities."

"The following pupils won awards in the 'Be Kind to Animals' poster contest:

Grade 8

Ruth Cook, 1st

Evelyn Skinner, 2nd

Esther MacNeill, Honorable Mention

Grade 7

Dorothy Jakubajtis, 1st

Billy Miller, 2nd

Teachers' Meetings

A brief summary of the teachers' meetings during 1934 will be valuable in showing some of the educational activities in which the school staff has participated. At the start of each year and the school term, conferences are called by the Principals on matters of school organization. During the year, as occasion requires, conferences of the Principals and the Superintendent are held with the most emphasis on the matters of pupil promotion and graduation plans. The more formal teachers' meetings that were conducted by the Superintendent are as follows:

In March a general meeting of all teachers in both towns was held at which the Superintendent gave a report on the National Convention and discussed with the

teachers some of the educational standards which had been given on that occasion.

In April and in September the High School Principals and teachers in both towns were called together for discussion of their recommendations on the revised High School report card. These meetings resulted in the new card which is in operation this year.

In October Miss Ida E. Scheib, State Supervisor of Safety Education, talked to the elementary school teachers, giving them suggestion and help on plans for teaching safety.

In May Mr. Harry E. Gardner of the State Department of Education gave a most inspiring talk on "The New Demands on Teachers" at a joint meeting of all teachers. This was both inspiring and practical for all.

Reports by all teachers, followed by a discussion and conference, were given in September and again in December on the topic "Lesson Assignments." The aim was to make more effective the teacher's procedure in assigning lessons and guiding the study plan of pupils.

In October Miss Marguerite McAndrews, a representative of the Lyons and Carnahan Publishing Company, visited a number of the primary class rooms for the purpose of noting the procedure in the teaching of primary reading. This was followed by a conference of all such teachers at which she gave valuable help on the teaching of reading. As all primary teachers are using the textbook published by that company, this was a most unusual opportunity for each teacher to get personal help from a recognized reading expert. A very definite start was made to strengthen our instruction in this vital subject.

Grammar School Organization

In September 1934 the three Grammar School rooms started upon a new plan of organization. In general, the

plan conforms to the departmental system. Miss Knox teaches the classes in social science—geography and history; Miss Allen, mathematics; and Miss Robbins, English grammar and literature in each of the three classes. The balance of the work in each grade is carried by the home room teacher. It is not exact to call this plan a Junior High School organization for such a plan would require complete departmental organization of all instruction and also an enriched curriculum giving much wider range of instruction than is possible with the present number of teachers. Our plan more nearly corresponds to the cooperative plan which is in use in a number of schools in Newton. Through frequent conferences with the regular and special teachers it is hoped that this organization will more nearly reach that plan. The main advantage in the new organization are specialized teaching and continuity of a teacher-pupil contact. Each teacher now gives instruction in the subjects which she has the greatest natural ability or specialized training. All teachers cannot be specialists in every subject as is assumed in the old plan of organization. Also, under the new plan in instructing in one subject the teacher has more opportunity to develop the presentation of her subject and motivate the instruction. In this plan each pupil is with a given teacher in a subject for three years. The continuity of the work through three grades gives a longer time for the teacher to guide the pupil's educational growth in that subject. It is too early at the present time to make definite statements about the results. The general reaction of parents, teachers, and pupils is most favorable. The progress tests which have been given this fall indicate higher accomplishment than has been made in the past. Every effort will be made to increase the effectiveness of this plan and to carefully check the results to determine a future course of action.

Health Reports

Mrs. Ruah M. Harris gave a careful summary of the school inspection work during the year. Child Health Day was observed on May 24. The program represented an old English Festival which was well done and appreciated by a large group of parents. A campaign

for diphtheria immunization is under way at present. Mrs. Carl Wier is chairman of the group of parents who are conducting it.

The annual report of the school physician, Dr. Allen R. Howard, emphasizes the large number of class three defects. He reports thirty-five such cases. This is more than 10% of the school population. Some of these are due to the financial inability to have medical treatment. Following an inspection of the school lunch room early in the present school year the carrying out of the school physician's recommendations resulted in much improved conditions in this department. Dr. Howard is emphasizing this year the diphtheria immunization project. He has kindly offered to give his services for the first year without charge for starting this program.

Radio in the Schools

Radio equipment is now available in the schools through the efforts of the teachers and pupils in raising funds for this equipment, or through the generosity of parents. There are several series of educational broadcasts that are being used to supplement the regular school instruction. Radio will never take the place of the class room teacher, but more and more it undoubtedly will furnish an efficient tool that a wide-awake teacher can use wisely in increasing the effectiveness of her class room procedure.

Nursery School

The Nursery School is being operated for the second year through funds furnished by the F.E.R.A. Mrs. Helen M. Munroe is in charge of this activity. Approximately ten pupils are in attendance. While the available space for this school is not ideal much is being accomplished which is beneficial. A small amount of funds is available each month for supplies, thus gradually more material is made available for this type of instruction. Through the increase in funds allotted to the school department the time schedule of the school has been increased from three mornings a week to five mornings

and two afternoons, making twenty-four hours which is the maximum allowed under the regulations for any one teacher.

There have been during the past year evidences of increased interest by the parents at school exhibitions, school visits during Education Week, and meetings of the Parent-Teacher Association. Continued and increased interest and support of these and other forms of school and home contacts will make better schools.

I wish to gratefully acknowledge and express my appreciation for the kind gift and pleasing testimonial which the teachers and janitors presented to me last June at the conclusion of my ten years as Superintendent in the Norton-Plainville schools. Through their efforts and cooperation with the school program the results have been possible.

Because of your careful interest and thoughtful analysis of school problems, it has been a pleasure to work to carry out the policies of the School Committee.

Respectfully submitted,

LAURENCE G. NOURSE,

Superintendent of Schools.

Board of Water Commissioners.

DEPARTMENT OF CONSERVATION

January 14, 1935.

To the Honorable Board of Selectmen:—

The annual report of your Town Forest Committee is herewith submitted.

During the winter months, up to April 1st, a crew of 11 men under the C. W. A. project, spent most of the time on brush cutting and release work. Brush cutting was carried on over an area of 20 acres of burnt over land, making ready for reforestation, which we had hopes of doing. Release work has been completed on about 15 acres. Trees of poor form and others of little value have been removed from this stand.

Due to the limited time of this C. W. A. program, in getting men to work, and the extreme cold winter, this was about the only work that could be carried out in our forest. Nevertheless, it was felt that an opportunity for the development of some kind in our town forest should not be lost.

On May 3 a crew of 5 men planted 7000 red pine on land off East Bacon and Messenger Streets. After this planting all work ceased through the summer.

This forest is fortunate in having a network of roads which cross it in such a manner as to divide it into small areas for administration and fire protection.

During October one man was employed in brushing out all woodroads and foot trails. A small amount, about 500 feet of very badly needed stream improvement has been made which has resulted in a much improved appearance in our recreational area.

We feel our town forest should have a well-deserved reputation as a beauty spot and recreational center for our townspeople. Accordingly, the work carried on here has been more along the lines of a development of a recreational area.

This committee has built up a paying proposition with much more income in the future, and with the aid from this income, will be able little by little to build up the most attractive town forest and recreational ground in Norfolk County. In asking for our appropriation, we feel we are asking only for what we have worked for, and not the taxpayer's money.

This committee recommends an appropriation of \$100.00 for the Plainville Town Forest.

March 5 Appropriation	\$75.00
December 31, Expended	74.98
	<hr/>
Balance02
Received for rent	\$300.00
Paid to Town Treasurer	300.00

GEO. B. GREENLAY,

OSWIN C. WOODWARD,

GEORGE H. SNELL, Sec'y.

Town Forest Committee.

REPORT OF INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen,
Plainville, Mass.,

Gentlemen:—

I submit herewith my report as Inspector of Animals for the year ending December 31, 1934.

321 animals were inspected on annual inspection—16 swine, 3 sheep, 2 goats, 40 pure bred cows, 12 pure bred young cattle, 186 grade cows, 54 grade young cattle, 4 pure bred bulls, 4 grade bulls.

Twenty head of swine were inoculated for prevention of the disease known as hog cholera.

Forty-eight barns were inspected on the annual inspection.

During the year there has been two complete tests for tuberculosis in cattle and a number of tests of one cow each.

The number of cattle reacting to these tests were two which is a much smaller number than last year.

These two animals were condemned and killed.

Four cows were quarantined for entering the State without having the proper test papers.

One dog was quarantined for biting a boy and was released after fourteen days.

During the year, 26 head of cattle were shipped in from other States and were released by the inspector.

The most of the cattle owners are living up to the requirements of the State, which is very pleasing to both the State and local inspector.

Respectfully submitted,

ERNEST TOOTILL,

Inspector.

REPORT OF INSPECTOR OF SLAUGHTERING

To the Honorable Board of Health,

Gentlemen:—

I submit herewith my report as Inspector of Slaughtering for the year ending December 31, 1934.

Nine carcasses were inspected, stamped and passed for food—Seven calves and two hogs.

Respectfully submitted,

ERNEST TOOTILL,

Inspector.

REPORT OF TOWN BURIAL AGENT AND VETERANS' GRAVE INSPECTOR

As last year, no case requiring the services of the Burial Agent has come to his attention. The graves in the various cemeteries were inspected and found in good condition. The various patriotic societies of the Attleboros and this town have kept the markers in place and on Memorial Day have visited and decorated all veteran graves. This has been of no expense to the town for inspection.

FRED W. NORTHUP

REPORT OF MILK INSPECTOR

To the Board of Health,

Gentlemen:—

Herewith I submit my report as Milk Inspector for the Town of Plainville for the year ended December 31, 1934.

Milk licenses issued	39	@ 50c	\$19.50
Oleomargarine licenses	1	@ 50c50
Total			<u>\$20.00</u>
Cash paid Town Treasurer			<u>\$20.00</u>

As you all should know, the General Laws were amended in 1932 in an effort to bring all agencies inspecting Dairy Farms producing milk to be sold within the Commonwealth under a uniform method, this to be accomplished by all Inspectors using a set of regulations promulgated by the Milk Regulation Board; created under Chapter 305 of the Acts of 1932. These regulations represent minimum requirements for all farms keeping more than two cows and selling milk.

The following items are deemed essentials, and necessary for the approval of dairy farms for a Certificate of Registration and without this State Certificate of Registration local licenses for the sale of milk cannot be issued.

The following points are decreed as necessary under the five essentials:—

- 1st. Cleanliness—Cleanliness to apply to milkers, cows, barn, milk room and utensils. Sterilization to be included with the item of cleanliness as referring to utensils.
- 2nd. Milk Room—Under milk room, cement floors to be recommended, but not absolutely required. Proper drainage required. An indirect entrance between milk house and the milking stable required. Milk house required to be sealed with tight lumber to encourage the use of the milk house during the winter.
- 3rd. Proper Cooling—Insulated tanks not required, but recommended. The temperature and time requirements in the regulations to be enforced as nearly as possible.
- 4th. Water Supply.
- 5th. Toilet location, and fly tight protection.

Respectfully submitted,

FRANK E. WHITING,

Milk Inspector.

REPORT OF PLAYGROUND AND PARK COMMISSIONERS

To the Honorable Board of Selectmen.

Gentlemen:—

We herewith submit our annual report.

We feel that much has been accomplished with the funds available. The land bought from Mr. William S. Metcalf comprised 87,450 feet. This was for the ball field, and after grading and filling in have been completed, the field will be in accordance with the plan as originally laid out.

Through the help of the F. E. R. A. the ball field is being graded, the grounds were cleared for the tennis courts and they extended the retaining wall in the stream.

With the appropriation made by the town for the cost of material, the library has been repaired, the under pinning strengthened, new floors and ceiling laid, three rooms and hall painted and papered, the work being done by F. E. R. A.

During the season 31 baseball games were played by different organizations of the town. Health Day and Memorial Day exercises held. The 4th of July Celebration, and the Legion and Firemen's Carnival on Labor Day, these were the outstanding events of the season.

The gift from the 4th of July celebration, which is sponsored by the Board of Trade, will be used to repair the pool and to purchase new apparatus for the younger children.

We are very grateful to Mr. Joseph Jette for the pompom dahlia bed, the Plainville Garden Club for the mixed flower bed, Mr. Merrill Falk for the two flower beds in front of the library, and to Mrs. Cora Gardner for the dahlias at the Memorial band stand.

We need shrubs and trees and would appreciate it very much if the people of the town would kindly donate and give them as gifts or memorials.

Our greatest need at present are tennis courts, therefore we desire an appropriation for the cost of material and for the back stops. The work we hope will be done by the federal aid allotted the town.

The apparatus and bath houses have been painted.

To continue the work for 1935 we desire an appropriation of \$400.00.

Respectfully submitted,

Playground and Park Commissioners.

CLARENCE TELFORD,

META A. SCHUBERT,

GERTRUDE PECKHAM.

REPORT OF TREE WARDEN

January 7, 1935.

To the Honorable Board of Selectmen,

Gentlemen:—

The annual report of the Tree Warden is herewith submitted for 1934.

At the starting of 1934, there was a C. W. A. project in progress in cutting brush along our country highways. Eight men were employed on this work until April 1. They were paid by the Government.

Owing to the small allotment for this department at town meeting, no spring work such as improvement or needed care could be carried out in tree work. This appropriation was kept for use only in emergency work where danger to people and automobiles was liable.

One heavy electric storm last summer with high winds did considerable damage throughout the town. Fourteen trees were blown down across the highways, and although the center had no fallen trees, many broken limbs had to be sawed off. This storm cost the Tree Department \$18.00.

During the month of August, six men were employed in roadside brush cutting. This work is laid out by the State Highway Department who give the Tree Warden the list of just what streets brush cutting can be carried out on. Under Chapter 81 of the Highway Department, \$325.00 was allotted for this work and all the tar roads were cut back leaving considerable danger at corners and intersecting streets on some of our dirt roads. Under the Tree Warden appropriation (as far as money would go) nine of these dangerous corners were cut back, saving possibility of some fatal accident.

As a recommendation for 1935, I would suggest that \$500.00 be appropriated for the cutting of brush on our country roads, such as High, Berry, Rhodes and Belcher Streets. It seems very likely that we are going to be faced with some unemployment this year and this type of relief should be offered to the people who are so unfortunate as to be out of work. I believe work should be created that would be worth while and constructive.

Recommendation for the Center

There is considerable trimming work which should be attended to, consisting mostly of dead wood cutting. In the last five years this department has planted 135 trees throughout town. They have been neglected now for two years, and some replacement will have to be made. We cannot stick a tree into the ground and forget it as they have got to be cultivated and fertilized in order to grow.

There is brush cutting to be carried out on Brunner, Grove, Bugbee, Pleasant and East and West Bacon Streets, which do not come under Chapter 81 of the Highway Department.

At this writing all Tree Warden tools were donated to the E. R. A. forest fire prevention project and it remains to be seen in what condition they will be returned. Possibly some replacement of tools will have to be made.

I recommend that this needed work be taken care of this year and the sum of \$150.00 be appropriated for roadside and tree work in the center.

Appropriation	\$50.00
Expended	50.00

Respectfully submitted,

GEORGE H. SNELL,
Tree Warden.

REPORT OF GYPSY MOTH DEPARTMENT

January 1, 1935.

To the Honorable Board of Selectmen,

Gentlemen:—

The annual report of your Moth Superintendent is herewith submitted.

During the first four months of the year a Civil Works Project was in progress. Thirteen men were working creosoting gypsy moth egg-clusters in heavily infested woodland where no work would otherwise be done on account of insufficient funds. This project was entirely handled by the State Department of Conservation and the men were paid each week by Government checks from that department. This work was intended to help the town in its unemployment and welfare problems.

February 1, three men were employed in creosoting and scouting work on all highways and open areas, including private property throughout the town.

During May and June, spraying was carried out on all highways. About 275 acres of woodland were sprayed in different parts of the town in order to hold the moths in check. The State Forestry Department has assisted as far as possible. This work was paid from the moth appropriation.

During November and December an E. R. A. project was approved, giving employment to seven men.

This fall, work was done with the object of cleaning out these colonies thoroughly—creosoting, cutting and burning are the methods used.

This work, of course, contributes something to the campaign of controlling the gypsy moths, but we cannot expect 100 per cent. efficiency.

Taken all in all, I will say the moth infestation in this town has been greatly reduced in all areas known to be affected. Much credit should be given to owners of large estates who did a great deal of work to keep the moths in check.

The liability to the Town for 1934	\$696.05
Amount appropriated including moth tax	796.05
Amount expended	796.03

Respectfully submitted,

GEORGE H. SNELL.

Moth Superintendent.

REPORT OF TRUSTEES OF PUBLIC LIBRARY

To the Honorable Board of Selectmen,

Gentlemen:—

The management of the Library has been in the same hands as last year and we notice a continual increase in the patronage although we were obliged to close for seven weeks during repairs and alterations. Our overhead has naturally been much higher than usual for fuel, light, etc., although under a reduced appropriation, but the results are well worth the expenses. The following report of Mrs. Eva Schubert, Supervisor of the C. W. A., full explains her part in the work.

“Approximately 8000 books have been placed in order and shelves and sections have been labeled according to alphabet and subject matter. This involved work in four rooms: Fiction, Non Fiction, Children’s and Reference. Stickers, plates, cardholders, cards or all of these have been placed in 6283 books. Titles and names of authors have been printed on labeling cards on 8000 books; 5048 have been mended (many only minor repairs); 7700 books have been catalogued according to Dewey system. The 300 remaining books were either out or discarded in survey.”

We wish to compliment the ladies who did the work, Mrs. Alice McNeill and Mrs. Myrtle White Smith.

When the appropriation for material from the town and labor under the E. R. A. became available, work on alterations and reconditioning was started and continued for seven weeks to the great improvement of the 200 year old building, especially the floors and ceilings on the lower story. A much less amount of renovating in the upper parts would make the entire structure good for many additional years.

We have not been able to purchase as many new books as usual, especially for the reference shelves and have discarded the usual amount of worn and obsolete Fiction to be given to the Veterans' Hospitals. We have found that this is cheaper than to rebind, as new and up-to-date books can be purchased for less in many cases.

Circulation	14,695
Fiction	13,802
Non-Fiction	393
School Books	500
Books added	186
Appropriated	\$455.03
Expended	452.90
Balance	\$2.13

Respectfully submitted,

FRED W. NORTHUP,

ARTHUR W. WASHBURN,

ALICE M. PEASE,

Trustees of Public Library.

REPORT OF THE WELFARE AGENT

from April 2, 1934 to December 31, 1934

To the Honorable Board of Selectmen,

Gentlemen:—

I herewith submit my report for the current year,

Number of welfare cases	35
Number of Old Age Assistant cases	16
Number of Soldiers' Relief	6
Mothers' Aid	1
State Aid	1
<hr style="width: 10%; margin: 5px auto;"/>	
Total number of cases	59
Trips to court on case	1
Visits to the homes	95
Conferences with school nurse	10
Conferences with doctors	15
Welfare Board meetings attended	36
Reports to the state	57
Conferences at State House	2
Office interviews	280
FERA Investigations	27
Hospital visits	3
Obtained clinic treatments for (child)	1
Notices and bills to State and Towns	29

Positions obtained temporarily other than FERA	8
Boys placed in CCC camps	6

From the special shoe fund created last year the following pieces of footwear were distributed:

Shoes 17 pairs	Rubbers 3 pair	Overshoes 2 pairs
CWA and FERA clothing distributed:		
No. of pieces 291		
Families 27	Individuals 118	

ERA food was distributed once a week for 38 weeks to approximately 43 families weekly.

A new record card system was installed for welfare department.

In closing, I wish to thank the welfare board for their cooperation and also the FERA in the Town who have put to work all those who were able to labor that were sent to them from the welfare department.

Respectfully submitted,

ALICE H. McNEILL,

Welfare Agent.

TREASURER'S REPORT

Plainville, Massachusetts,

January 25, 1934.

To the Honorable Board of Selectmen,

Gentlemen:—

As Treasurer of the Town of Plainville, I submit herewith my report of the accounting for financial period beginning January 1, 1934 and ending December 31, 1934.

Various exhibits and schedules have been prepared to better reflect the financial condition of the Town and more clearly explain the transactions. These are as follows:

- Exhibit 1. Balance Sheet, including Debt Account and Trust Account, as at December 31, 1934.
- Exhibit 2. Cash Received from all sources with 1933 receipts for comparison.
- Exhibit 3. Disbursements with the 1933 disbursements for comparison.
- Exhibit 4. Estimated Receipts. This schedule is in connection with exhibit two and the 1933 amounts are given for comparison.
- Exhibit 5. Accounts Payable as at December 31, 1934. This is a supporting schedule to exhibit three and shows the accounts payable in detail.
- Exhibit 6. Interest Payments. This is a supporting schedule to exhibit three with the 1933 interest payments for comparison.
- Exhibit 7. Appropriation Payments with the 1933 payments for comparison.

- Exhibit 8. Debt Account as at December 31, 1934 showing maturities.
- Exhibit 9. Recapitulation of Appropriation Accounts. This schedule shows appropriations, transfers, amounts expended and unexpended balances.

Comments Respecting Financial Condition:

The following comments are submitted to explain items that appear in the Balance Sheet to further enlighten the taxpayer regarding these transactions.

Cash:

All cash, with the exception of the Trust Fund, is on deposit at the Manufacturers National Bank at North Attleboro, Massachusetts and subject to withdrawal by check.

Uncollected Taxes:

Uncollected personal and real estate taxes amount to \$21,182.63 which is a decrease of about 20% from the 1933 account. All of the 1932 taxes have been collected or otherwise disposed of. See the Collector's report for details of these collections.

Motor Vehicle Excise Taxes:

Excise taxes are assessed owners of automobiles. The valuations used are established by the Commonwealth. The rate is also set by the State and is the rate used by the local assessors. A reserve has been set up for these uncollected taxes until collected and receipts are credited to Estimated Receipts and are used by the assessors in establishing the tax rate.

Special Assessments:

Moth taxes are classed as special assessments and are taxes levied for work done by the moth inspector on private property. Revenue is reserved until collected

and credited to Estimated Receipts and used by the assessors in establishing the tax rate.

Departmental:

The amount of \$1,803.75 as shown on the Balance Sheet represents uncollected water rates and is under the supervision of the Water Commissioners. Revenue is reserved until collected and credited to the Estimated Receipts and used by the assessors in establishing the tax rate.

Tax Titles:

The amount of \$1,187.34 represents taxes due on property that has been sold by the Tax Collector and title taken by the Town of Plainville. This property is redeemable within two years by paying the taxes due together with charges accrued.

Overdrafts and Bank Charges:

During the year the following bills were contracted but not paid on account of overdrafts:

Selectmen's Account for legal expenses	\$100.00
Board of Health for salary	50.00
Insurance	103.89

Total overdrafts	<u>\$253.89</u>
------------------------	-----------------

New banking regulations necessitated bank charges totaling \$14.43 which amount was deducted from the bank balance. This amount together with the overdrafts will be required to be appropriated to clear the account.

Water Extension: Credit:

The balance of \$925.90, as reflected on the Balance Sheet, is the unexpended amount after the water extension on Washington Street was completed. This amount will necessarily remain as a reserve until such time as the town votes to further extend the water system or

some other like project which requires an outlay over a period of five years, or more.

Extra-ordinary Reserve:

The Extra-ordinary or Unforeseen Expense account is under the direct supervision and control of the Finance Committee. This committee can vote transfers for extra-ordinary or unforeseen expenses upon application from departments incurring such overdrafts because of expenses over which they had no control. During the year the Finance Committee voted the following transfers:

For: Snow Removal	\$486.62	
Old Age Assistance	275.93	
Soldiers Relief	66.21	
Welfare	208.94	
	<hr/>	\$1,037.70

Overlay Reserve:

The Overlay Reserve is an accumulation of overlay balances transferred to this account after taxes for said year have been collected or otherwise disposed of. From this amount the Town can vote transfers to the Extra-ordinary Reserve Account without affecting the tax levy.

Surplus Revenue:

The Surplus Revenue at the close of business on December 31st was \$21,655.55. This is the amount of cash that would be available providing all taxes were collected and all liabilities were paid. At the present this reserve represents uncollected taxes and therefore cannot be used to reduce the tax rate. At any time that the Surplus Revenue is in excess of the uncollected taxes the excess can be used by the assessors in establishing the tax rate but only by a vote of the Town.

Accounts Payable:

The amount of \$5,462.19, as appearing in the Balance Sheet, represents bills contracted during the year of

1934, which were not presented for payment until after January 1, 1935. This amount has been charged to the various departments incurring the liabilities and is included in their schedules.

Debt Account:

During the year, the Debt Account was reduced by \$5,000.00, and during 1935 the debt will be further reduced by a like amount. The Water Extension Loan as well as the Fire Equipment Loan, will be retired during 1935 and consequently, it will not be necessary to raise and appropriate these amounts again. This will of course, greatly assist the Assessors in reducing the tax rate, provided, no additional loans are voted. In 1939 the present debt will be entirely retired.

Trust Account:

The Trust Account is represented by cash on deposit at the Attleboro Savings Bank at North Attleboro, Massachusetts. Only the income from said Trust Account can be used and then for the support of the schools. Each year, the interest is withdrawn and credited to the school appropriation for their use.

General:

In general, the financial condition of the Town of Plainville is much better than a great many of the cities and towns in our Commonwealth. This is very encouraging as it reflects a healthy condition financially and it behooves all voters to carefully consider all appropriations and retain this healthy condition. The Finance Committee has worked hard, earnestly and sincerely in trying to keep all expenses within reason. The Committee has at its command sources of information not generally used by the taxpayer and is therefore better informed as to actual existing conditions and its recommendations are entitled to serious consideration.

Respectfully submitted,

EDWARD OSTERHOLM,

Treasurer.

AUDITOR'S REPORT

To the Honorable Board of Selectmen,

Gentlemen:—

This is to certify that the accounts of the Treasurer have been duly examined by me and found correct.

The books of the Collector of Taxes and the Water Department have been examined. The amounts collected and paid the Treasurer and the amounts uncollected have been found to agree with the statements of the Treasurer.

All other departments receiving or disbursing money have been found to agree with the records of the Treasurer.

Respectfully submitted,

ALICE E. RIBERO,

Auditor.

REPORT OF SELECTMEN

February 4, 1935.

To the Town of Plainville:—

Your officials have given a great part of their time during the year to try and keep the expense of this department as low as possible. Through the efforts of the CWA and FERA under the direction of Mr. Arthur Crowley, the following has been accomplished:

C.W.A. and E.R.A. Figures for 1934

C.W.A. Projects—Town Forest, Town Park, Brush Cutting on Highways and Women's Sewing and Knitting Projects.

Wages on these projects were \$9,093.65

E.R.A. Projects—Fire Lanes, Water Holes, Public Library, Gypsy Moth and Women's Sewing Project.

Wages on these projects were 8,316.80

Total on Town Projects\$17,410.45

Also Plainville men worked on projects at the Norfolk Prison, Norfolk Hospital, Wrentham State School and on County projects which amounted approximately to \$4,000.00.

This brings the total amount for labor\$21,410.45

This money has employed 114 men and 24 women on C.W.A. and 48 men and 7 women on E.R.A. for year of 1934.

These above funds have kept many from the welfare and also the work has improved the town in many ways.

The food that we have obtained through the FERA has been a great help also and was distributed through the welfare agent, Mrs. Donald McNeill.

The Red Cross has cooperated with the welfare and helped greatly in the distribution of clothing.

The special clothing and shoe fund established last year has been a help and we wish to thank all for their contributions.

The contributions by the teachers have been a great factor in increasing the funds of our welfare department and we appreciate the sacrifice of this body in making it possible.

The welfare agent, Mrs. Donald McNeill, has been of assistance in carrying on the case work of the department, making visits, attending to correspondence, keeping records, and the general routine of the welfare work.

At this time we wish to thank all town officials for their cooperation during the year.

WM. E. BLANCHARD,
WESLEY H. BURTON,
PERRY M. COOK,

Selectmen of Plainville.

WARRANT FOR ANNUAL TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of Plainville, Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in Town affairs, to meet in the Town Hall, in said Plainville, on

MONDAY, the FOURTH DAY of MARCH, A. D. 1935
at nine o'clock in the forenoon, then and there to act
on the following Articles, viz:

Article 1. To choose all the necessary Town Officers.

Article 2. The following to be chosen by ballot, viz: Three Selectmen and three Overseers of Public Welfare, one for one year, one for two years, one for three years; one Treasurer, one Town Clerk, one Auditor, one Collector of Taxes, one Trustee of Public Library for three years, one Water Commissioner for three years, one member of School Committee for three years, one Assessor for three years, one Tree Warden, one Moderator for one year, one Park Commissioner for three years and three Constables.

All officers, except the above named, are to be chosen for one year.

Polls will be open at six o'clock A. M. and may be closed by vote at four o'clock P. M.

Article 3. To consider and act on the reports of the Selectmen, Treasurer, and other Town Officers.

Article 4. To see if the Town will vote to postpone action on all Articles calling for appropriations to an adjourned meeting to be held Monday evening, March 4, 1935, at 7:30 P. M., in the Town Hall.

Article 5. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws and make an appropriation therefor.

Article 6. To appropriate and raise by borrowing or otherwise such sums of money as may be required to defray Town charges for the financial year ending December 31, 1935, and expressly for the following purposes, to wit:

1. For the support of the Public Library.
2. For the Selectmen's current expenses and salaries.
3. For the Treasurer's current expenses and salary.
4. For the Town Clerk's current expenses and salary.
5. For the Assessors' current expenses and salaries.
6. For the Tax Collector's current expenses and salary.
7. For the Board of Registrars' current expenses and salaries.
8. For the salary of Town Auditor.
9. For Sealer of Weights and Measures' current expenses and salary.
10. For the payment of Insurance.
11. For Welfare work and Mothers' Aid.
12. For Old Age Assistance.
13. For Soldiers' Relief.
14. For Highways and Bridges, excluding Chapter 81.
15. For State and Military Aid.

16. For Memorial Day.
17. For Interest on Temporary Loans and Maturing Debt.
18. For Fire Department for current expenses and salaries.
19. For Street Lights.
20. For Water Department incidental and pumping and salaries.
21. For Sidewalks.
22. For Board of Health current expenses and salaries.
23. For Police Department including Street Patrol.
24. For Forest Fires.
25. For Tree Warden.
26. For Removal of Snow.
27. For Maturing Water Bonds.
28. For Maturing Municipal Land Loan note.
29. For Maturing High School Addition note.
30. For Maturing Fire Equipment Bonds.
31. For Town Hall.
32. For Park Commissioners.
33. For Support of School and salaries of School Committee.
34. Town Forest Committee.

Article 7. To see if the Town will vote to have the surety of the Collector of Taxes, Treasurer, Town Clerk and Secretary of the Water Commissioners bond placed with a fidelity or guarantee company, and appropriate a sum of money to pay for the same.

Article 8. To see if the Town will vote to authorize the town treasurer, with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1935, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 9. To see if the Town will vote to furnish water for the use of the Legion and appropriate the sum of \$20.00 or any other sum relative thereto.

Article 10. To see if the Town will vote to raise and appropriate the sum of \$796.05, or any other sum, for the carrying on of the moth work for the current year.

Article 11. To see if the Town will vote to raise and appropriate a sum of money or a reserve fund to provide for extraordinary or unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws.

Article 12. To see if the Town will grant the use of the Town Hall at a minimum charge of five dollars (\$5.00) per day to:—

1. Parent-Teacher Association, two evenings.
2. Plainville Fire Department, six evenings.
3. Alumni Association, two evenings.
4. Plainville Grange, three days and three evenings.
5. Plainville M. E. Church, three days and three evenings.
6. John Edward McNeill Post 217, ten evenings.
7. Girl Scouts, one evening.
8. Athletic Association, one evening each week during basketball season.
9. Boy Scouts, two evenings.

10. Board of Trade, two days and two evenings.
